## Mark Your Calendars! Free recorded webinar in February

Join us on Friday, February 3 – Sunday, February 5 for free on-demand viewing of [“A Salisbury Diary: Extracting Evidence for Context and Content”](#) with Jill Morelli, CG®.

About the Webinar:

What is “context” and how can we use it to understand the lives of our ancestors?

Using a manuscript can add to the story of your ancestor even if your ancestor is never mentioned. Learn how to conduct a search for manuscripts and integrate the experiences into the life events of another.

About the Speaker:

Jill Morelli, CG®, loves to share her passion for genealogy! To do so, she writes articles, takes clients and lectures, and conducts workshops nationwide in her areas of expertise: intermediate and advanced methodologies, unique record sets, and Scandinavian research techniques. Jill is a member of the Salisbury Confederate Prison Association and president of the Seattle Genealogical Society. She earned the certification of Certified Genealogist in 2017. You can find out more about certification, and about Jill, at <https://theCDGseries.wordpress.com>.
